

1 10A NCAC 14C .4006 is proposed as a temporary ruled as follows:

2  
3 **10A NCAC 14C .4006 FACILITY**

4 An applicant proposing to develop new hospice inpatient facility beds or new hospice residential care facility beds  
5 shall document:

6 (1) that a home-like setting shall be provided in the facility;

7 (2) that the services will be provided in conformity with applicable state and local laws and  
8 regulations pertaining to zoning, physical environment, water supply, waste disposal and other  
9 relevant health and safety requirements; and

10 (3) for new facilities, the location of the site on which the services are to be operated. If such site is  
11 neither owned by nor under option to the applicant, the applicant must provide a written  
12 commitment to pursue acquiring the site if and when the approval is granted, must specify a  
13 secondary site on which the services could be operated should acquisition efforts relative to the  
14 primary site ultimately fail, and must demonstrate that the primary and secondary sites are  
15 available for acquisition.
